Dear Mr. Dawson,

This is in response to your letter to my office regarding an owner's box for EPA regulations for the authorized signature in the Presidents', and General Manager's authorized signatures.

returned to my office. Due to the fact that you must have an authorized signature, Vice Presidents' are considered

In the case of General Manager's box, we are aware that Mr. L.G. Kalush is not the owner. (We have the letter from the law offices of Rosenberg, Perlman & Associates, P.C. on file.) We would like Mr. Kalush to sign in the owner box as the General Manager. We can then continue processing the file. Further delay will cause a substantial delay in the facility reaching interim status.

I would also like to direct your attention to another similar situation, i.e. GMC--Kearney Street (Denver); EPA ID# COD 04 540 6741. These forms were not returned. Please sign them and return both sets of forms to this office.

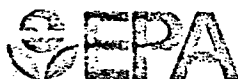

We feel this procedure to be the best for the sake of expediency. Your prompt attention is greatly appreciated.

Sincerely,

Dear Mr. Dawson,

This is in response to the letter and EPA forms returned to my office regarding an owner's signature on the EPA forms. Due to EPA regulations for the Permit Application, we must have an authorized signature in the owner's box. Presidents', Vice Presidents', and General Managers' signatures are considered authorized signatures.

In the case of General Motors Corporation, we are aware that Mr. L.G. Kalush is not the owner. (We now have the letter from the law offices of Rosenberg, Perlman & Associates, P.C. on file.) We would like Mr. Kalush to sign in the owner box as the General Manager. We can then continue processing the file. Further delay will cause a substantial delay in the facility reaching interim status.

I would also like to direct your attention to another similar situation, i.e. GMC--Kearney Street (Denver); EPA ID# COD 04 540 6741. These forms were not returned. Please sign them and return both sets of forms to this office.

We feel this procedure to be the best for the sake of expediency. Your prompt attention is greatly appreciated.

Sincerely,
